

Happy October from A Special Wish!

We have had some awesome wishes this past month and more exciting news to share with everyone! Enjoy!

Sarah goes to Wheel of Fortune

4-year old Sarah's, dream came true when she traveled to California with her family to attend a taping of Wheel of Fortune. When the family arrived on the set, Sarah was able to see the carnival sized wheel where contestants can win cash and prizes and the board. Sarah then met the hosts of the show, Pat Sajak and Vanna White. As Sarah walked onto set, the board had a welcome sign with her name, where Pat and Vanna took pictures with the family. After a tour of the studio and meeting all the people that make the show Wheel of Fortune happen, Sarah and her family were able to watch a taping of the show. Sarah's mother, Reneé said "Having a chance to do something we would never been able to do was amazing. Not many 4-years-old get the chance to visit the Wheel of Fortune set, so it was a unique and great experience."

After a full day of Wheel of Fortune, the family went to the wonderful land of Disney. While at Disneyland the family had the opportunity to meet Mickey Mouse and many other characters. The family was given hopper passes for Disneyland and California Adventure, this way they could go between the two parks. After the great couple of days at Disneyland, the family made their way to Legoland. They saw the wonders of the land and the massive structures made out of legos. The family was able to relax and enjoy many awesome things California has to offer!
